The main reason why it all is happening to him - he is tough hard-worker who always wants more and more from every situation he faces. He can score goals from all over the park, 1v1 expert and very good with his head (even he is not so tall). Passing range is extremey reliable because of his decent vision, great interceptions in the middle of the pitch. Svajunas' technique is excellent, which is why he is so good at set pieces, whether it is a shot or delivering the ball for others to attack. His delivery is amongst the best you will see.
