Other information:	<p>Winners one gift from Luis Figo in his web site and commented about my talent : Quema10 is an extremely complete player, a real "number 10" that not only plays well but also makes the team play well. Technicaly developed, he is a player with many solutions that makes ggod decisions with the ball on his feet. At 18 years old, this is the moment for him afirm himself definetly. He sure has the talent for that! http://www.dreamfootball.com</p> <p>In search write : qema 10</p>
