Player profile:	<p>My story is a long one but I will try to outline it. Everything began as I was 4 years old when I saw my cousins playing football at home. I come from Egypt but I moved on to Kuwait to live there with my family as I was 7 years old at this time. I wanted to play more and learn more about football but I wasn't allowed to play as a professional player because I'm an immigrant (from Egypt) and we can't play professionally. Just the Kuwaiti citizens are allowed to play professionally. It was hard to see my friends playing in big football clubs in the country and I don't. I had all the abilities to play for a big club but you know the rolls in Kuwait! I didn't give up and I trained a lot in the gym and alone in a football field. All I wanted I a ball and place to practice and I did it! I loved everything second of training because I was believing that something great will happen in the future. After high school, my parents told me I will continue my studies in Germany and everything started from there. All I wanted is a chance to show everyone my talents in football, how much I trained hard and how much I love football that my dream is to be the best in the world! I know it's crazy but I got my chance in Germany and played until now with 3 teams. I proved my self there but I want to play higher and higher with bigger teams, that's why I will do anything to achieve my dream!</p>
Achievements:	<p>I have played until now just in Germany. I have played in Olympia Leipzig and (in 8 matches I scored 11 times and made 3 assists), Lüzkendorf in Merseburg in (6 matches I scored 6 times and made 5 assists) and now I'm playing in SV Wilhelmshaven and it's in Wilhelmshaven.</p>
