Other information:	Hey my name is Nasser Matrane I am a 20 year old Moroccan who lives in U.S.A. I am currently playing for CD Numancia C in Soria, Spain and I want to come trial for your professional team. I play left wing / right wing and I don't ask for much I just want a chance to prove myself and if you guys take interest in me I don't even want money or a salary I just want to play and prove myself and jump start my career because I have never played for a club before in my life or academy everything I know is from playing on the streets because I could never afford to join a team in America and I came to Spain on an open try out and I made the team and hopefully I can do the same with you guys.
