Player profile:

Just for additional information I am a British national and have been playing soccer for the most part of my life, I have played matches and tournaments in Indonesia, Vietnam and also the UK, I also played with a team named Cilegon United. I was also born in 1997. I am a very versatile player, I can play most positions on the pitch and I would like to be in a career in this sport. I also have only played to a semi professional extent because I have not had the contacts or support to fulfil my dream in this career. Also I would like to know what I would need that would help me along my way.

Other information:

An opportunity to show my potential as a player and to grow as a player, also the chance to play for a professional team. Anything else please contact for more information.
